COMMUNICATION CONCERNING FILING FEE

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

On October 5, 2000, applicant Robert Ellingson filed patent application serial number 09/679,916, referenced above, with the U.S. Patent and Trademark Office. At the time of filing, the filing fee was deferred. To date, a Notice of Missing Parts has not been sent to Applicant. However, Applicant filed papers on February 7, 2001, May 30, 2001, and December 17, 2001 that included language authorizing the Commissioner to charge additional fees to Deposit Account No. 13-2725. Applicant considers any one of these authorizations as sufficient authorization to charge the filing fee to Deposit Account No. 13-2725.

The U.S. Patent Office file wrapper for this application contains an indication that the filing fee for this application was received. However, to date Applicant's representative has not been able to ascertain whether the filing fee ever was paid or charged to Deposit Account No. 13-2725 by the U.S. Patent Office.

Therefore, in the event that the Commissioner determines that the filing fee has not yet been collected from Applicant, the Commissioner is hereby expressly authorized to charge any required filing fee to Deposit Account No. 13-2725.

Respectfully submitted,
